Easy CD-DA Extractor v.9.1.2.

EASY CD-DA Extractor v.9.1.2. Celà devient une habitude chez Poikosoft de nous mettre une nouvelle version journalière ! Change log : Installer now detects the installation folder of the previous version (for automatic upgrade to the new version without uninstalling or re-selecting the installation folder) Speed improvements for the Musepack, Monkey's Audio, Flac, and WavPack codecs (adjusted the speed optimizations of the C++ compiler) Now runs better with limited user accounts (no file write-access is required to the software folder) Temporary files are no longer needed and no longer created (improves the overall performance, and decreases the memory usage) Téléchargement de la nouvelle version EASY CD-DA Extractor 9.1.2.
